Christopher:

We will withdraw the supplemental report of Julie Davis. We will not withdraw the supplemental report of David August. You can go forward with his deposition on Friday. If you require more time to prepare for his deposition, we will present him for deposition out of time, just as we accommodated Dr. Mudge out of time. Let us know.

Best,

David.

Subject: RE: WARF v. Apple, No. 14-cv-0062 - Supplemental Expert Report

Michael,

Thank you for taking my call this morning. Per your request, I am following-up in writing.

As I explained on our call, WARF requests that Apple immediately withdraw the Supplemental Expert Report of Julie Davis and the Supplemental Expert Report of David August, both of which Apple untimely served last night (8/17/2015). These supplemental reports are untimely under Section 6 of the Preliminary Pretrial Conference Order, which requires that any supplementation under Rule 26(e) "must be in writing and must be served not later than five calendar days before the expert's deposition." Dkt. 24 § 6. The supplemental reports are also improper because they are not "limited to matters raised in [each] expert's first report." *Id.*

Please confirm, by no later than 1:30 pm CT today, that Apple withdraws both supplemental reports. As Ms. Davis's deposition is in less than 24 hours, if we do not receive an answer from you by then, we will take the matter up with the Court.

Best,

Christopher Abernethy
